West Lake Fact Sheet CW edits 9.26.14.docx

....  
>>>

Dan and Ben,

You may want to consider revising the last sentence of third paragraph of Background which states, "...OU-2 consists of the other landfilled areas which did not receive any of the radiologically-contaminated soil, this is known as the Bridgeton Landfill." There are other landfill areas besides Bridgeton Landfill that make up OU-2.

Thanks,

Shawn Muenks, P.E.
